Re: Paisley Hotel

Dear Mr. Burke Maidlow,

Under section 8. (3) (Building Code Act) a conditional building permit has been issued.

- 1.) The roof and 2 storey walls of the building (1873) construction are to be removed as per the drawings of Philips Engineering (Page S03 Building Section Removals) dated November 22, 2006 and add support as required as per Philips Engineering.
- 2.) Under section 8. (3) (c) (i) (Building Code Act) the applicant assumes all risk in commencing the construction.
- 3.) Under section 8. (3) (c) (iv) (Building Code Act) at the applicant's own expensive, remove the roof and 2 storey walls.
- 4.) The applicant is required to remove the roof and 2 storey walls "immediately" as per direction of Justice O'Connell December 8, 2006

Yours truly,

Craig Johnston CBCO  
Chief Building Official.
