Burn Permit Conditions

1. The person named in this application, or his/her agent, must be in attendance at all times the fire is burning, and shall remain on the scene until the fire is completely extinguished.
2. No fire shall be started before 6:00 a.m. or daylight, whichever is later.
3. Recreation fires to be no larger than twenty-four inches (24") or sixty-two centimeters (62 cm) in diameter and no more than one cubic meter and shall not be burned between 6 a.m. and 8 p.m.
4. No fire shall be started within five (5) metres or sixteen feet (16') for a small recreational open fire or 15 metres (50 feet) of any building or other thing that could be ignited by sparks or heat radiating from the said fire.
5. Equipment to control the fire shall be on scene at all times the fire is burning.
6. Any person starting a fire shall be responsible for any damages incurred as a result of said fire.
7. This permit is considered null and void at any time a fire ban is imposed. It is the responsibility of the permit holder to ensure no Fire Ban is in effect. No fires are allowed during burn ban declared by the municipality.
8. This permit is not valid for burning any toxic material, including petroleum products, paints, plastics, rubber or shingles.
9. The person named in this permit is responsible to ensure that any smoke from said fire does not present a nuisance to neighboring property.
10. A permit is valid only on the property listed on the application.
11. This permit must be retained at the site of any open air fire and produced on request.
12. Should any fire get out of hand and it is necessary to call for the services of any Fire Department, charges for all costs shall be levied against the permit holder at the current rates published by the Ministry of Transportation and recoverable in like manner as municipal taxes from the property where the fire originated.
13. This permit is not valid for materials transported into the Municipality of Arran- Elderslie.

I have read the conditions outlined above and the Open Fire Regulations, and agree to abide by these conditions on any open air fires within the Municipality of Arran-Elderslie. Please note this is a condensed version of the original by-law which can be found in its entirety on our website at www.arran-elderslie.ca.

Open Air Fire means a fire that is not totally enclosed and controlled so as to prevent the spread of fire either directly or by sparks or embers originating from the fire.
