GRS Wood Products Inc.

Press Release

GRS Wood Products Inc. purchases the former Durham Furniture Plant in Chesley

Chesley, Ontario—January 25, 2011:

Mayor Paul Eagleson announced the sale of the former Durham Furniture factory in Chesley to GRS Wood Products Inc.

“Arran-Elderslie has waited a long time for this announcement and we are looking forward to working with GRS to bring the plant up to full capacity as soon as possible,” said Mayor Eagleson “we understand the plan is to start with fifty (50) employees from the local area to begin operating the wood kilns and make the plant ready to manufacture engineered hardwood flooring” added Eagleson.

GRS Wood Products Inc. is a hardwood flooring distributor with a 44,000 SF warehouse in Toronto, Ontario offering over 150 different flooring products.

“The company has indicated that they plan to grow to over three hundred (300) employees over the next few years” said Arran-Elderslie Clerk Peggy Rouse, adding “it will take time to install the right machinery and train their employees.”
