On May 22, a very rainy day, the sun came out for the **ALLENFORD IMPROVEMENT ASSOCIATION'S** ribbon cutting ceremony, for their new gateway sign. On the same day, the Allenford Annual Rubber Duck Race was held. Even though we had obstinate weather, all 500 ducks were sold, and there was a crowd to cheer them on. Four lucky winners all got cash prizes, and the rest went to the AIA for pending projects. A BBQ lunch was to be held at the bridge, but, due to the rain, had to move to the ACC. It, too, was a grand success, the proceeds of which were donated to a local family, to help out with expenses incurred by their baby's open heart surgery.
