

THE CORPORATION OF THE MUNICIPALITY OF ARRAN-ELDERSLIE

1925 Bruce Road 10, Box 70, Chesley, ON N0G 1L0
519-363-3039x122 Fax: 519-363-2203 water@arran-elderslie.ca

The Municipality of Arran-Elderslie is in the process of looking at removing sludge from the Tara Lagoons Wastewater System. The process would involve looking for partners with nearby agricultural lands to apply the processed sludge. Ideal partners would be farms within close proximity of the wastewater system located in the SW quadrant of Tara. Municipal staff will set boundaries from sensitive lands, and all approved properties will need a test dig(provided) on the property to determine water table levels.

The Municipality will be applying for the required permits and applications necessary for this type of work. We will also oversee the project with specialized contractors to completion.

If you are interested in having your property placed on the list for application of sludge, or if you have any questions regarding the project please feel free to contact:

Mark O'Leary
Water & Wastewater Foreman
