Article 3

GENERAL PROHIBITIONS

3.1 Sounds - acts emitting noise - clearly audible - set out

No person shall emit or cause or permit the emission of sound resulting from an act listed in Sections 3.2 through 3.6 inclusive, and which sound is clearly audible at a point of reception.

3.2 Racing - motorized conveyance - not regulated

No person shall race or cause or permit to be raced any motorized conveyance in contravention of Section 3.1, other than in a racing event regulated by law.

3.3 Tires - squealing - vehicle

No person shall operate or cause or permit the operation of a motor vehicle in such a way that the tires squeal in contravention of Section 3.1.

3.4 Vehicle - operation - improperly secured - load

No person shall operate or cause or permit the operation of a vehicle or a vehicle with a trailer resulting in banging, clanking, squealing or other like sounds in contravention of Section 3.1 due to improperly secured load or equipment, or inadequate maintenance.

3.5 Engine - without muffler

No person shall operate or cause or permit the operation of any combustion engine or pneumatic device in contravention of Section 3.1 without an effective exhaust or intake muffling device in good working order and in constant operation.

3.6 Engine - continuous - operation - while stationary

The operation of an engine or motor in or on, any motor vehicle or item of attached auxiliary equipment for a continuous period exceeding five (5) minutes, while such vehicle is stationary in a residential area or a quiet zone shall be a contravention of Section 3.1 unless the provisions of Sections 3.7 through 3.11 inclusive apply.

3.7 Idling period - manufacturer - specification

The provisions of Section 3.6 shall not apply when the original equipment manufacturer specifically recommends a longer idling period for normal and efficient operation of the motor vehicle in which case such recommended period shall not be exceeded.

3.8 Operation - essential to function

The provisions of Section 3.6 shall not apply when operation of such engine or motor is essential to a basic function of the vehicle or equipment, including but not limited to, operation of ready-mixed concrete trucks, lift platforms and refuse compactors.

3.9 Weather conditions - justify heating - air conditioning

The provisions of Section 3.6 shall not apply when weather conditions justify the use of heating or refrigerating systems powered by the motor or engine for the safety and welfare of the operator, passengers or animals, or the preservation of perishable cargo, and the vehicle is stationary for purposes of delivery or loading.

3.10 Temperatures - low - idling necessary - after starting

The provisions of Section 3.6 shall not apply when prevailing low temperatures make longer idling periods necessary immediately after starting the motor or engine.

3.11 Repair - seasonal servicing - non-profit

The provisions of Section 3.6 shall not apply when the idling is for the purpose of cleaning and flushing the radiator and associated circulation system for seasonal change of antifreeze, cleaning of the fuel system, carburetor or the like, when such work is performed other than for profit.

3.12 Horn - use - good safety practices - only

The operation of a motor vehicle horn or other warning device shall be a contravention of Section 1055.2.1, except where required or authorized by law or in accordance with good safety practices.

Article 5

GRANT OF EXEMPTION

5.1 Application - to Council

Notwithstanding anything contained in this by-law, any person may make application to Council to be granted an exemption from any of the provisions of this by-law with respect to any source of sound or vibration for which he or she might be prosecuted.

5.2 Right of refusal - other - limitations

Council, by resolution, may refuse to grant any exemption or may grant the exemption applied for or any exemption of lesser effect and any exemption granted shall specify the time period, not in excess of six (6) months, during which it is effective and may contain such terms and conditions as Council sees fit.

5.3 Hearing - application - decision

In deciding whether to grant an exemption to any of the provisions of this by-law, Council shall give the applicant and any person opposed to the application an opportunity to be heard and may consider such other matters as it sees fit.

5.4 Breach - exemption - null - void

Breach by the applicant of any of the terms or conditions of any exemption granted by Council shall render the exemption null and void.

Article 6

SEVERABILITY

6.1 Validity

If a court of competent jurisdiction should declare any Section or part of a Section of this by-law to be invalid, such Section or part of a Section shall not be construed as having persuaded or influenced Council to pass the remainder of the enabling by-law and it is hereby declared that the remainder of this by-law shall be valid and shall remain in force.

Article 7

ENFORCEMENT

7.1 Fine – for contravention

Every person who contravenes any of the provisions of this by-law is guilty of an offence and upon conviction is liable to a fine or penalty as provided for in the *Provincial Offences Act*.
